

# STRIKE-RITE

**A NEW LOCK INNOVATION!**

**US Patent  
9,493,964**

**Rotate  
In or Out  
for the  
Perfect Fit**

**Strike-Rite  
gives the  
perfect fitting  
latch  
everytime!**

*Strike Rite is an adjustable ASA strike plate. Once installed on the frame you simply rotate the latch-adjusting screw until proper adjustment is achieved. Dead-latching feature must remain outside of the strike opening. Then simply tighten the set screw with the supplied allen wrench.*

**Strike-Rite The  
Only Fully  
Adjustable  
Strike Plate**

**Set  
Screw**
